

Developmental Leadership Institute

Engaging with and creating more value for stakeholders (Activating Force)

Practice Aid

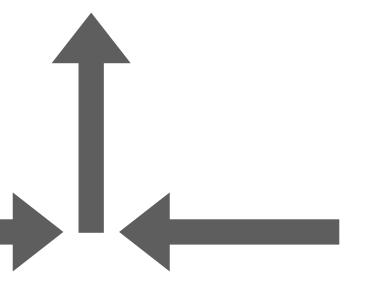

Aim to evolve the understanding of unique context and build the capacity to create unique value by elevating the level of will, function and being for all stakeholders involved (including ourselves)

Aim to build conviction and ownership through asking questions that nurture new thinking and creativity

Aim to *illustrate experiences* that facilitate new connections and insights through storytelling

Aim to *transfer knowledge* by providing information, solutions or recommendations directly

Reconciling Force?

Current capabilities/ mindsets/values/beliefs/ assumptions/cultures (Restraining Force)
